April Monthly Report (3/1/00 - 3/31/00)

Dear Mr. Averett

This letter is written in response to your correspondence of March 16, 2001, regarding the above-referenced report filed by PAC For A Change.

In response to your letter, we filed the enclosed Amendment with the FEC's campaign reports division on April 16, 2001. This Amendment clarified that the \$4,000.00 general election contribution issued on March 29, 2000 to Friends of Lane Davis, actually was a general election contribution issued to Friends of Lane Evans. The correct name now appears on the report.

The February 28, 2000 contributions to Friends of Lane Evans appearing on the March monthly report are correct - \$4,000.00 of that contribution was designated for the primary, and \$1,000.00 of that contribution was designated for the general election. We have enclosed copies of three checks issued by PAC For A Change to Friends of Lane Evans, indicating that a total of \$5,000.00 was contributed by PAC For a Change to Friends of Lane Evans for each of the primary and general elections. Therefore, the committee has not exceeded the applicable contribution limits for multi-candidate committees.
